Unsafe surprises : evil, mortality, diversity, and other strangers -- pt. VIII. Silence and privacy : negotiating boundaries between public and private - in and out of the consulting room.
Sommario/riassunto	Unknowable, Unspeakable, and Unsprung delves into the mysteries of scandalous behavior- behavior that can seem shocking, unfathomable, or self-destructive-that is outrageous and offensive on the one hand, yet fascinating and exciting on the other. In the process, this anthology asks fundamental questions about the self: what the self is allowed to

be and do, what must be disallowed, and what remains unknown.
