Sommario/riassunto	This exhaustive bibliography, reflecting current interest in electronic music, includes all available citations of books, articles, and monographs pertaining to "musique concrète," "Elektronische Musik," "tape music," and "computer music" from publications in fourteen languages. Organized alphabetically by author, or, in the case of unsigned works, by title, and including a classified subject index, this book will appeal primarily to persons or organizations who are founding or maintaining electronic music centres, composing or performing electronic music, or pursuing original research in experimental music and related disciplines.
