Sommario/riassunto	Springtime showers are an important part of seasonal changes. Rain brings us beautiful flowers and gives animals something to drink, but it often means being stuck inside while thunder and lightning comes from darkened skies. That doesn't mean early readers can't have fun when it rains. From board games inside to cooking a special dish with a parent, there is a lot to do when storms keep us indoors. Full-color photographs explore the fun of rainy days, while accessible text helps readers learn important vocabulary describing fun activities to do when the sun hides behind the clouds.
