Sommario/riassunto	Spring is a time of birth and change. Flowers and trees come back to life, and new animals are born. From baby deer spending their first days in the forest to geese taking care of their furry babies, spring is full of brand new baby animals. Amazing full-color photos and accessible text show young readers how baby black bears come out of hibernation and how other animals like seals have springtime babies even in cold climates in this easy-to-read book full of fun animal facts.
