Sommario/riassunto	Foxes, squirrels, and raccoons are just some of the animals found in the woodland habitat. Usually fur-covered, these animals are just as cute when made out of paper. Readers are introduced to key terms and common folds in order to complete several origami projects in this book. Full-color photographs accompany simple step-by-step instructions to guide readers as they create paper bats, mice, and other woodland animals. Rated easy, medium, or hard, the crafts are designed to help both new and seasoned origamists enjoy this ancient art.
