Sommario/riassunto	A blueprint for doing clinical work in field experience, this practical book aids students in developing their professional identity on their journey toward becoming a counselor. Authors Naijian Zhang and Richard D. Parsons help students integrate the knowledge they learn across the curriculum by presenting a roadmap of how to start, navigate, and finish a practicum or internship. Throughout the book, coverage of CACREP standards, case illustrations, exercises, and real-life examples create an accessible overview of the entire transitioning process. Field Experience is part of the SAGE Counseling and Professional Identity Series, which targets specific competencies identified by CACREP (Council for Accreditation of Counseling and Related Programs).
