Sommario/riassunto	Smart is the new sexy They say if you can't stand the heat, get out of the kitchen, but it's not the sauce at The Pit BBQ that has Darla Kennet breaking a sweat. The sassy single mom has waited tables in Mobile for years to support herself and her daughter, Grace, and she's never let anything get her rattled until now. Somehow, handsome aerospace engineer Jake Dalton has gotten under her skin. Although they went to school together, Jake doesn't remember much about Darla. Back then the brainiac future rocket scientist always had his head in a book. But now that a chance meeting has him helping Grace apply to space camp, he's been pulled into Darla's orbit. And it isn't long before Jake and Darla have a heated meeting of their own celestial bodies. The trouble is, Jake wants more. Convincing cautious, fiercely independent Darla to trust him with her heart just may be his most challenging mission yet
