Nota di bibliografia	Includes bibliographical references at the end of each chapters and index.
Sommario/riassunto	Mediated talk is organised around familiar styles - styles of person, relationship and genre. But media also consistently remake and re-style these familiar patterns. This work brings together original research of media styling in different national contexts and languages. It highlights and theorises how creative acts of mediated styling can promote social and sociolinguistic change.

2. Record Nr.	UNISA996213499703316
