| Sommario/riassunto | Discovering her fiancé is an international con man just moments before they exchange vows devastates celebrity wedding planner Brooke Baldwin's business-and breaks her heart. Now a pariah in Los Angeles, she seeks a fresh start in New York City and thinks she's found it with her first bridal client, a sweet-if slightly spoiled-hotel heiress. Then she |

meets the uptight businessman who's holding the purse strings. Seth Tyler wishes he could write a blank check and be done with his sister Maya's fancy-pants wedding. Unfortunately, micromanaging the event is his only chance at proving Maya's fiancé is a liar. Standing directly in his way is the stunning blonde wedding planner whose practiced smiles and sassy comebacks both irritate and arouse him. He needs Brooke's help. But can he persuade a wedding planner on a comeback mission to unplan a wedding? And more importantly, how will he convince her that the wedding she should be planning is theirs? Contains mature themes.
