Nota di contenuto	I. Address and greeting (1:1-2) -- II. Understanding God's gracious calling (1:3-3:21) -- III. Walk worthy of our calling (4:1-6:20) -- IV. Commendation and benediction (6:21-24).
Sommario/riassunto	The Exegetical Guide to the Greek New Testament (EGGNT) closes the gap between the Greek text and the available lexical and grammatical tools, providing all the necessary information for greater understanding of the text. The series makes interpreting any given New Testament book easier, especially for those who are hard pressed for time but want to preach or teach with accuracy and authority. Each volume begins with a brief introduction to the particular New Testament book, a basic outline, and a list of recommended commentaries. The body is devoted to paragraph-by-paragraph exegesis of the Greek text and includes homiletical helps and suggestions for further study. A comprehensive exegetical outline of the New Testament book completes each EGGNT volume--

2.	Record Nr.	UNICAMPANIAVAN00292479
	Autore	Kutoyants, Yury A.
	Titolo	Identification of Dynamical Systems with Small Noise / by Yu. Kutoyants

-- Titles Available in this Series.

Sommario/riassunto

"I recommend this book wholeheartedly to new music lovers" Sir Charles Groves CBE Thanks to Nigel Kennedy and Pavarotti, millions of people have recently discovered that classical music is a highly enjoyable experience, perhaps contrary to their expectations. But the world of classical music can be highly intimidating and confusing. Ian Christians, for many years a passionate believer in broadening the interest in classical music, has developed a unique approach, designed to make it as easy as possible for both newcomers to classical music and those who have started down the path to explore with confidence. Discovering Classical Music concentrates on the greatest composers. The author takes you step-by-step into their most approachable music and, in some cases, boldly into some of the greatest works traditionally considered too difficult for newcomers. Rarely does a book offer such potential for continued enjoyment. This volume concentrates on the life, personality and music of Edward William Elgar.
