Sommario/riassunto	"More than 50 kinds of mini pigs can be found around the world. They include popular pigs such as the potbellied pig, as well as exotic pigs such as the Kunekune of New Zealand. Readers explore the worlds of these and other mini pigs, including what they look like, how they behave, and how to care for them. Through their reading, young learners also explore essential science concepts, including selective breeding and animal adaptations. The accessible main text and fun fact boxes are presented alongside adorable photographs of these pigs at work, at play, and in shows"--
