Sommario/riassunto	The Life and Works series presents the life and works of the major composers. The recording is illustrated with quotations from the composer and his contemporaries, enhanced by extended musical extracts from representative works. An extended companion booklet (over 150 pages) containing extensive essays and notes on the composer and his times accompanies each autobiography. terrific idea, this, and very well done. The format is to weave a selection of each composer's musical output around the narrated story of their lives, coloured by contemporary articles and writings read by actors...The actors breathe life into the contemporary material to make for rewarding and entertaining discs Classic FM Magazine
