1.

which unionism divided into moderate and extreme wings; the Provisional IRA emerged amidst the resurgence of violent republicanism; and British military and governmental responsibility for Northern Ireland culminated in direct rule. Based on extensive research in British, Irish and American archives, Anglo-Irish Relations in the Early Troubles examines the diplomatic relationship between the key players in the formative years of the Northern Ireland conflict. It analyses how the Irish government attempted to influence British policy regarding Northern Ireland and how Britain sought to affect Dublin's response to the crisis. It was from this strained relationship of opposition and cooperation that the long-term shape of the Troubles emerged"--
