Sommario/riassunto	"Jacob Ross brings the best traditions of crime fiction to the Caribbean novel with a fast-moving narrative, richly observed characters, a powerful evocation of place and a denouement that will leave readers breathless. Set on the small Caribbean island of Camaho, The Bone Readers introduces DC Michael (Digger) Digson and his partner Miss K. Stanislaus as they are dragged into a world of secrets, disappearances and danger that demands every ounce of their brains, persistence and courage to survive."
