Sommario/riassunto	This is a dictionary of Bole, a little documented language of the Chadic family, spoken in northeastern Nigeria. This is one of the most comprehensive dictionaries of any Chadic language other than Hausa. All entries for Bole are fully marked for tone and vowel length. The Bole-English-Hausa section has full definitions and explanations of meaning in English with numerous examples of use. Each entry has a Hausa gloss. The English-Bole section is intended mainly as an index to the Bole-English-Hausa section. There are appendices of flora and fauna terms, cultural terms, pronouns, and comprehensive paradigms of verb forms.

Sommario/riassunto	Authority and Participation in a New Democracy focuses on the changes undergone by Mapai, Israel's first ruling party, during Israel's first years of independence, then analyzes the effects of these changes in relation to Israeli political culture. Bareli's main claim is that it was only during this period that a hierarchically-organized group of leaders succeeded in imposing its dominance, fostering obedience within the party and creating oligarchic characteristics in Israel's democracy. The influence of the kibbutz movement, the moshavim movement and of urban intelligentsia- who represented the opposite political view of participatory democracy-was reduced to a minimum. This process would have a profound impact on issues of equality, on the relations between veteran Israelis and immigrants from both European and Islamic countries, and on social and civic norms.

Sommario/riassunto	Simplicity comes into being when there is freedom from the desire to achieve One who is sincere can never be simple because he who is trying to be sincere always has the desire to pattern or approximate himself to an idea. Self-knowledge can be discovered more fully, deeply, widely, only when there is passive awareness, which is not the exertion of will. In the search for self-knowledge we get caught in self-consciousness. Being caught we make the thing in which one is caught the most important thing. To go beyond self-consciousness there must be freedom from the desire to achieve a result, because the achievement of a result is what the mind wants. Q: Would you please explain what you mean by dying daily? Q: How does a truth when repeated become a lie? What really is a lie? Q: I think I can help, but whatever I say or do to another is interpreted as interference and as domineering. Why does this happen to me? Q: What is aloneness? Is it a mystical state?
