Livello bibliografico	Monografia
Sommario/riassunto	The names Klaus Barbie, Adolf Eichmann, Hermann Goering, Reinhard Heydrich, Heinrich Himmler, and Ernst Kaltenbrunner struck terror into law-abiding citizens, let alone those who resisted Adolf Hitler. These men were leaders of the Gestapo, the Nazi's secret police. This book outlines who the Gestapo were, how they operated, the terrible crimes they committed and how they ultimately paid for them when they were hunted down after the war.
