Sommario/riassunto	Parents on an absurdly tight budget love Toys "4" Cheap, the #1 source for used, defective, and highly questionable playthings. This illustrated catalog features toys like the Magic 1-Ball, My Digital Stepdad, and The Smorfs (collect all two!). Make your selections, call us at (555) TOY-FUPB, then pick up your items at one of two convenient Montana Badlands locations. "We will NEVER have a website!"
