Sommario/riassunto	Expert knowledge, real-life experiences and enlightening research specifically carried out for the book, all combine to create a unique view on what it takes to be a parent of primary school children. Covering the issues that will affect you and your children during

their primary school years, you will find yourself armed with knowledge, tips, tricks and advice that will help you both through even the most challenging times. With every topic discussed you'll discover valuable specialist opinion and guidance, as well as quotes, clever know-how and insights from real parents who've already been through it. From mealtimes and bedtimes, tricky questions and homework, all the way through to sex and drugs, you'll soon discover you're not the only parent grappling with all this stuff. And with *Raising Children* on your side you'll be well-informed, well-prepared and well-equipped to handle any problem big or small.
