| Sommario/riassunto | About Pashto Pashto is an Iranian language of the Indo-European family spoken by over 17 million people, primarily in Afghanistan and Pakistan. This course teaches the Northern dialect as spoken in Kabul (Afghanistan), which will be understood through all Pashto-speaking |

regions. Pashto is one of the two official languages of Afghanistan (Dari is the other) and the native tongue of approximately 50 percent of the population there. Although, not an official language in Pakistan, it is spoken by approximately 13% of the population. Pashto uses a modified version of the Arabic alphabet, and is read right to left. The Pimsleur® Method: the easiest, fastest way to learn a new language. Completely portable, easily downloadable, and lots of fun. You'll be speaking and understanding in no time flat! Pashto Phase 2, Units 1-5 build on material taught in prior units. Each lesson provides 30 minutes of spoken language practice, with an introductory conversation, and new vocabulary and structures. Detailed instructions enable you to understand and participate in the conversation. Each lesson contains practice for vocabulary introduced in previous lessons. The emphasis is on pronunciation and comprehension, and on learning to speak Pashto.
