Disciplina	940.4/144092 B
Soggetti	World War Soldiers - Germany
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	<p>One of the great war memoirs, now featuring a foreword by the New York Times bestselling author of Matterhorn in time for the centenary of World War I and the Battle of the Somme A worldwide bestseller published shortly after the end of World War I, Storm of Steel is a memoir of astonishing power, savagery, and ashen lyricism. It illuminates not only the horrors but also the fascination of total war, as seen through the eyes of an ordinary German soldier. Young, tough, patriotic, but also disturbingly self-aware, Ernst Junger exulted in the Great War, which he saw not just as a great national conflict but also--more importantly--as a unique personal struggle. Leading raiding parties, defending trenches against murderous British incursions, simply enduring as shells tore his comrades apart, Junger keeps testing himself, braced for the death that will mark his failure. His account is ripe for rediscovery upon the centennial of the Battle of the Somme--a major set piece in Storm of Steel --and a bracing read for fans of Redeployment and American Sniper. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and</p>

across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.
