Collana	Editions SR ; ; v. 29
Disciplina	192
Soggetti	Politics in the Bible Electronic books.
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	John Locke: A Lifelong Interest in the Bible -- Early Life (1632-1652) -- Oxford (1652-1666) -- Locke and Shaftesbury (1666-1675) -- Travels in France (1675-1679) -- Return to England (1679-1683) -- Exile in Holland (1683-1689) -- The Public Figure (1689-1704) -- Reason, Revelation, and the Fall -- Reason and Revelation -- Hermeneutics -- Human Nature: Locke and the Fall -- Adam and Patriarchal Political Order -- Patriarchal Theory -- Biblical Patriarchalists -- Sir Robert Filmer and the Occasion of His Writings -- Filmer's Biblical Politics -- John Locke's Adam: The First Treatise -- The Inception of Locke's Two Treatises -- Locke and the Bible: The Critics -- Locke's Reply to Filmer: The First Treatise -- John Locke's Adam: The Second Treatise -- Natural Law -- The State of Nature and Executive Privilege -- Property -- Paternal Power and Conjugal Society -- The Beginning and End of Political Society.
Sommario/riassunto	John Locke is often thought of as one of the founders of the Enlightenment, a movement that sought to do away with the Bible and religion and replace them with scientific realism. But Locke was extremely interested in the Bible, and he was engaged by biblical theology and religion throughout his life. In this book, Kim Ian Parker

considers Locke's interest in Scripture and how that interest is articulated in the development of his political philosophy." "Parker shows that Locke's liberalism is inspired by his religious vision and, particularly, his distinctive understanding of the early chapters of the Book of Genesis. Unlike Sir Robert Filmer, who understood the Bible to justify social hierarchies (i.e., the divine right of the king, the first-born son's rights over other siblings, and the "natural" subservience of women to men), Locke understood from the Bible that humans are in a natural state of freedom and equality with each other. The biblical debate between Filmer and Locke furnishes scholars with a better understanding of Locke's political views as presented in his Two Treatises." "The Biblical Politics of John Locke demonstrates the impact of the Bible on one of the most influential thinkers of the seventeenth century, and provides an original context in which to situate the debate concerning the origins of early modern political thought.
