Pubbl/distr/stampa	New World Books/johnlanebooks
Descrizione fisica	1 online resource (317 p.)
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	Romance, adventure, adversity and success - such is the panoramic sweep of this compelling story that starts and finishes in the little-known heart of the Amazon rain forest. A story that reaches out from the New World to the Old and back again to the jungle city of Iquitos and the headwaters of the mighty Amazon, king of rivers - this is a triumphal and joyous celebration of love and creation that sings in the heart like a great symphony.
