Nota di contenuto	The Obama Administration's Feed the Future Initiative / Marian L. Lawson, Randy Schnepf and Nicolas Cool -- Achieving impact : leadership and partnership to Feed the Future (U.S. Government efforts to fight hunger, poverty and malnutrition) / Feed the Future.
Sommario/riassunto	"The Obama Administration's Feed the Future (FTF) Initiative is a U.S. international development program launched in 2010 that invests in food security and agricultural development activities in a select group of developing countries in an effort to reduce hunger, malnutrition, poverty, and food insecurity. This book provides an overview of the program, as well as issues and progress of the foreign assistance initiative."--Preface.
