Sommario/riassunto	This official web site of the Export-Import Bank of the U.S. presents its products and tools that support its mission "to help create and maintain the jobs of American workers by providing export financing support to companies in the United States that are selling American-made products and services to foreign customers." Presents tools for exporters, brokers, and financial institutions to transact with Ex-Im Bank online, and current tables of Commerical Interest Reference Rates. Covers environmental aspects of U.S. exports and imports, including renewable energy sources and other green business tactics; also covers such social aspects of U.S. exports and imports as women- and minority-owned businesses, with an emphasis on small business.
