Formato	Musica
Livello bibliografico	Monografia
Sommario/riassunto	<p>Ex-Delta Force Davis Holland, now an agent for Customs and Border Protection, has seen it all. But nothing in his experience has prepared him for what he and the local sheriff find one freezing night in the Minnesota woods. Investigating reports of an illegal border crossing, the two men stumble across a blood-drenched scene of mass murder, barely escaping with their lives . . . and a single clue to the mayhem: a small wooden chest placed at the heart of the massacre. Something deadly has entered Holland's territory, crossing the border from nightmare into reality. When news of the atrocity reaches wealthy cryptozoologist Richard Severance, he sends a three-person team north to investigate. Not long ago, the members of that team-Ben McKelvie, Lindsay Clark, and Alex Standingcloud-were nearly killed by a vengeful shapeshifter. Now they are walking wounded, haunted by gruesome memories that make normal life impossible. But there is nothing normal about the horror that awaits in the Northwoods.</p>
