| Sommario/riassunto | The fur starts flying when a gang from L.A. comes up to tranquil Molena Point, California, and begins breaking into the village's quaint shops. Joe Grey, Feline P.I., has called Molena Point home since he was a kitten, and he doesn't take well to marauding strangers. Joe even wonders whether the blonde who's moved in next to his human companion Clyde could be a part of the gang--she's been acting pretty suspicious lately. But when the strangers start trapping and caging feral cats it proves too much for Grey. And when one of the gang is murdered, and a second mysterious death comes to light, he has no choice but to try and stop the crimes. |
