Sommario/riassunto

The Blades of the Rose BundleWarriorTo most people, the realm of magic is the stuff of nursery rhymes and dusty libraries. But for Capt. Gabriel Huntley, it's become quite real and quite dangerous. . .In Hot Pursuit. . .The vicious attack Capt. Gabriel Huntley witnesses in a dark alley sparks a chain of events that will take him to the ends of the Earth and beyond--where what is real and what is imagined become terribly confused. And frankly, Huntley couldn't be more pleased. Intrigue, danger, and a beautiful woman in distress--just what he needs.In Hotter Water. . .Raised thousands of miles from England, Thalia Burgess is no typical Victorian lady. A good thing, because a proper lady would have no hope of recovering the priceless magical artifact Thalia is after. Huntley's assistance might come in handy, though she has to keep him in the dark. But this distractingly handsome soldier isn't easy to deceive. . ."Zoe weaves a delightful spell. . .cleverly blending history and magic in new, delightful ways. . ." --Elizabeth Vaughan, USA Today bestselling author"An innovative and exciting romantic adventure with just the right touch of the paranormal. . ." --Jennifer Ashley, USA Today bestselling author"Crackles with adventure, a rich sense of place, and terrific characterization." --Mary Jo PutneyScoundrelThe Blades of the Rose are sworn to protect the sources of magic in the world. But the work is dangerous--and they can't always protect their own. . .Ready For ActionLondon Harcourt's father is bent on subjugating the world's magic to British rule. But since London is a mere female, he hasn't bothered to tell her so. He's said only that he's leading a voyage to the Greek isles. No matter, after a smothering marriage and three years of straitlaced widowhood, London jumps at the opportunity--unfortunately, right into the arms of Bennett Day.Risking It AllBennett is a ladies' man, when he's not dodging lethal attacks to protect the powers of the ancients from men like London's father. Sometimes, he's a ladies' man even when he is dodging them. But the minute he sees London he knows she will require his full attention. The woman is lovely, brilliant, and the only known speaker of a dialect of ancient

Greek that holds the key to calling down the wrath of the gods. Bennett will be risking his life again--but around London, what really worries him is the danger to his heart. . .RebelOn the Canadian frontier in 1875, nature is a harsh mistress. But the supernatural can really do you in. . .A Lone WolfNathan Lesperance is used to being different. He's the first Native attorney in Vancouver, and welcome neither with white society nor his sometime tribe. Not to mention the powerful wildness he's always felt inside him, too dangerous to set free. Then he met Astrid Bramfield and saw his like within her piercing eyes. Now, unless she helps him through the harsh terrain and the harsher unknowns of his true abilities, it could very well get him killed. . .And The Woman Who Left The PackAstrid has traveled this path before. Once she was a Blade of the Rose, protecting the world's magic from unscrupulous men, with her husband by her side. But she's loved and lost, and as a world-class frontierswoman, she knows all about survival. Nathan's searing gaze and long, lean muscles mean nothing but trouble. Yet something has ignited a forgotten flame inside her: a burning need for adventure, for life--and perhaps even for love. . .Praise for The Blades of the Rose"The action explodes on page one and the pace never lets up. You're gonna love The Blades of the Rose." --Ann Aguirre, national bestselling author of Hell Fire on RebelHe protects the world's magic--with
