Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Includes index.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Cover -- Table of Contents -- A Sexual History Time Line -- Glossary.
Sommario/riassunto	Human Sexuality, Third Edition, helps students develop and design their own sexual philosophy. Every chapter begins with actual student questions from the author's files during nearly 20 years of teaching the human sexuality course. Throughout each chapter the questions are answered and new ones are posed--encouraging students to think critically, analyze, and apply the material in personally relevant ways. Hock takes a psychosocial approach, infused with biological foundations throughout the text. The book focuses on topics that are most critical and of greatest relevance to students' personal lives and their interactions with others, and on how these topics affect them emotionally, psychologically, and interpersonally. This student-centered approach is incorporated into the text's discussions of all areas of sexuality: psychological, social and biological (including medical issues, sexual health, sexual anatomy and sexual physiology). Sensitivity to diverse groups, not only in terms of race and ethnicity, but also in terms if sexual orientation, age, sexual knowledge, and sexual experience allows all students to feel as comfortable and open about sexual topics as possible.

2. Record Nr.	UNINA9910789801403321
Autore	Johnstone W.
Titolo	Exodus / / W. Johnstone
Pubbl/distr/stampa	Sheffield, England : , : Sheffield Academic Press, , [1999] ©1999

Sommario/riassunto	Exodus requires the consideration not only of historical but also of institutional and theological questions. Since such disparate materials have all been brought together into one presentation, it is necessary also to look at the literary function and formulation of the book. In the light of these discussions it is possible to come to a clearer appreciation of the kind of work Exodus is.
