Sommario/riassunto

For Freshman Composition courses. Known for innovation you can use, this comprehensive handbook leads the field in addressing research, argument and the most current issues in composition. The Scott Foresman Handbook is designed to anticipate the questions of student writers and answer them clearly, fully, and imaginatively. It supports the multiple dimensions of a writer's work - including language, reading, argument, research, technology, visual learning and more. The eighth edition of Scott Foresman Handbook for Writers continues to break new ground by thinking about how writers may respond to the emerging technologies and theories that impact communication. It is a valuable resource and the ideal guide to help students write in the college classroom and beyond. Part of the MyCompLab Series Student edition now available with MyCompLab and e-book, at no additional cost. Providing more opportunities for practice, assessment and instruction than any similar site, MyCompLab is a dynamic online resource for the Composition course. It offers market-leading tools for improving grammar, writing and research skills with comprehensive results tracking so students and instructors can gauge student progress. Easy to use and easy to integrate into the classroom, MyCompLab engages students as it builds confidence and helps them to be better writers and researchers.
