Sommario/riassunto

For one or two semester undergraduate and graduate business law courses. Visually engaging, enticing and current examples with an overall focus on business. Business Law continues to be the most engaging text for students and professors by featuring a visually appealing format with enticing and current examples while maintaining its focus on business. Students will learn business law, ethics, and the legal environment in a way that will encourage them to ask questions and go beyond basic memorization. The eighth edition includes many new cases, statutes, and features.
