Sommario/riassunto	For undergraduate and graduate courses in criminal behavior, criminology, the psychology of crime, crime and delinquency, and forensic psychology. A comprehensive psychological approach to criminal behavior. Accurate, researched-based, contemporary, and comprehensive: Criminal Behavior: A Psychological Approach, Tenth Edition, builds on the excellence established in previous editions. The text offers a detailed look at crime, what may lead to it, and how criminal behavior may be prevented, all from a psychological perspective. Focusing on serious crimes, particularly those involving violence, Criminal Behavior offers a comprehensive look at this complex field with effective and engaging material that has been

classroom-tested for over thirty years.
