Sommario/riassunto

Celebrating the five hundredth volume, this Festschrift honors David M. Gunn, one of the founders of the Journal of Old Testament Studies, later the Library of Hebrew Bible/Old Testament Studies, and offers essays representing cutting-edge interpretations of the David material in the Hebrew Bible and later literary and popular culture. Essays in Part One, Relating to David, present David in relationship to other characters in Samuel. These essays demonstrate the value of close reading, analysis of literary structure, and creative, disciplined readerly imagination in interpreting biblical texts
