Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di bibliografia	Includes bibliographical references and index.
Sommario/riassunto	Just hearing the phrase 'the East End' summons up images of slums and dark alleyways, with Jack the Ripper appearing from the mist, or housing estates and pubs where you might find the Kray twins. It is a place of poverty and menace, yet these images can prevent us from seeing the reality of life east of the City of London, and of its dark history. This study features stories of crimes and misdeeds that show what life was like in this area before the 'East End' existed. They also reflect the changes caused as the settlements of the Tower Hamlets became absorbed by the new metropolis of London.
