Quah -- chapter 18 Corruption prevention: Successful cases / Jin-Wook Choi -- chapter 19 Rule-based and integrity-based anti-corruption approaches in Asia / Robert Gregory -- chapter 20 Regional anti-corruption initiatives in Asia / Bart W. Edes.

Sommario/riassunto

Corruption in Asia ranges from the venal rent-seeking of local officials to the million-dollar bribes received by corrupt politicians; from excessive position-related consumption to future job offers in the private sector for compliant public servants; from money-laundering to 'white elephant' projects that do little more than line the pockets of developers and their political partners.
