Sommario/riassunto	The Oxford Studies in Postcolonial Literatures series offers stimulating and accessible introductions to definitive topics and key genres and regions within the rapidly diversifying field of postcolonial literary studies in English. Postcolonial Life Narrative draws together two dynamic fields of contemporary literature and criticism, postcolonialism and life narrative, to create a new assemblage: postcolonial life narrative. Focusing in particular on testimonial narrative, from slave

narrative in the late eighteenth century to contemporary Anglophone
life narrative from Africa, Australia, the
