Sommario/riassunto	<p>Everyone in life is gonna hurt you, You just have to figure out which people are worth the pain. - Erica Baican She Walks In Beauty like the night (Lord Byron) Everybody is looking for someone they belong to. Everybody is looking for the sense of their lives. But whatever you do, nothing makes sense without love in your heart. So, the question is "What can love do?" Love helps to live and to survive in the hardest moments of our lives. Love inspires you. Love awakes good feelings in your soul. The feeling of flying in the sky...The feeling of growing wings... The feeling of real living, not existing... Love brings harmony in your heart. Love is belief. Love is warmth. Warmth, which can protect you from all your fears. Love is caring. Caring for every living being around you. Love is giving. Giving everything you have, your joy and your sorrow, your heart and your soul, your love and your mind, offering a helping hand in hard moments to the person you love... Love is pain. Pain that hurts you & inspires you at the same time... Love is peace. Peace in your heart, in your mind, in your life. Love is charity... Love is romance. Romantic ideas, romantic acting... And Love is the best feeling in the world. Love makes the world go round. It is the greatest mystery of all times. If you ask someone What is love?, He or she will hardly find enough words to express its meaning. Love can be different. There is love for parents, love for children, love for animals, love for friends; first love, love for husband</p>

or wife, boyfriend or girlfriend. When you love someone or something, your heart and soul become warmer and kinder. People, who carry love in their hearts, are always happy and in good mood. Love helps to live and survive in the hardest moments of our lives. Almost all feelings in the world have some advantages or disadvantages. However, love has only advantages. It brings harmony and peace.
