Sommario/riassunto	<p>How can you learn to speak Lebanese? Almost all venues teach the formal dialect using the Arabic alphabet. But there is an easier way. Would you like to learn to speak Lebanese without the hassle of having to learn the formal Arabic language and Arabic alphabet? You've come to the right place! In the lessons presented in Marhaba, you will first be exposed to the written text followed by its English translation. In this enhanced ebook, by simply touching the screen, you can hear the Lebanese pronunciation - spoken by native Lebanese - to reassure you of how to pronounce the sentence. Through repetition and sentence building in a meaningful context, you will find yourself easily comprehending and speaking in a short time. The results: Lebanese becomes a quick and easy language for the learner. From young children to older adults, learning a new language opens doors. Buy Marhaba: Learn Spoken Lebanesenow and experience more of the world!</p>
