Livello bibliografico	Monografia
Note generali	Bibliographic Level Mode of Issuance: Monograph
Nota di bibliografia	Includes bibliographical references and index.
Sommario/riassunto	Hugh Cunningham traces the history of the relationship between work and leisure, from the 'leisure preference' of male workers in the 18th century, through the increase in working hours in the later 18th and early 19th centuries, to their progressive decline from 1830 to 1970.
