Livello bibliografico	Monografia
Nota di bibliografia	Includes bibliographical references and index.
Sommario/riassunto	In the changed political landscape of Northern Ireland, where all major political parties with a nationalist agenda are now reconciled to the use of peaceful and constitutional means to achieve their objectives, this book presents a timely analysis of the constitutional nationalist tradition in Northern Ireland in the period leading up to the outbreak of the Troubles. It maps the history of the campaigns of nationalist parties and organisations to redress the grievances of Northern Ireland's Catholics and bring partition to an end.
