Sommario/riassunto	Waking to find himself shipwrecked on a strange shore before a dark wood, the pilgrim of the Divine Comedy realises he must set his sights higher and guide his ship to a radically different port. Starting on the sand of that very shore with Dante, John Freccero begins retracing the famous voyage recounted by the poet nearly 700 years ago. Freccero follows pilgrim and poet through the Comedy and then beyond, inviting readers both uninitiated and accomplished to join him in navigating this complex medieval masterpiece and its influence on later literature.
