Livello bibliografico	Monografia
Note generali	Bibliographic Level Mode of Issuance: Monograph
Nota di bibliografia	Includes bibliographical references and index.
Sommario/riassunto	The concepts of purity and pollution are fundamental to the worldview reflected in the Hebrew Bible, yet this is the first book to examine the ways biblical texts apply these concepts to sexual relationships. Drawing on psychological and cross-cultural studies as well as on philological and historical-critical analysis of biblical texts, this book argues that the concept of pollution is rooted in disgust and that pollution language applied to sexual relations expresses a sense of bodily contamination resulting from revulsion.

Sommario/riassunto	Even today, class discrimination remains an important global legal issue. This book allows readers a better understanding of the issue of class discrimination and inequality, including the role of education in bridging the class systems. The study seeks to increase the likelihood of achieving equality at both the national and international levels for those suffering class discrimination, looking at the primary role of legislation, which has an impact on the court process. It also discusses the two most important trade agreements of our day - namely the North American Free Trade Agreement and t
