Livello bibliografico	Monografia
Note generali	Bibliographic Level Mode of Issuance: Monograph
Nota di bibliografia	Includes bibliographical references and index.
Sommario/riassunto	This text examines American norms of masculinity and their role in the law, with essays from legal academics, literary scholars, and judges. Together, these papers reinvigorate the law-and-literature movement by bringing a range of methodological and disciplinary perspectives to bear on the complex interactions of masculinity with both law and literature - ultimately shedding light on all three.
