Sommario/riassunto	This text addresses critical and timely questions in patent law from a truly global perspective, with contributions from leading patent law scholars from various countries and various disciplines. The rich scholarship featured reflects on a wide range of perspectives, offering insights and new approaches to evaluating key institutional, economic, doctrinal, and practical issues that are at the forefront of efforts to reform the global patent system, and to reconfigure geo-political interests in on-going multilateral, trilateral, and bilateral initiatives.
