Sommario/riassunto	Principles of French Law offers a comprehensive introduction to French law and the French legal system in terms which a common lawyer can understand. The authors give an explanation of the institutions, rules and techniques that characterize the major branches of French law. The chapters provide the reader with a clear sense of the questions that French lawyers see as important and how they would answer them.In the ten years since the publication of the first edition, French law has

changed in significant ways. European Union law and the European
Convention on Human Rights have had a significa
