Sommario/riassunto	Stephen Barton has commissioned social scientists, philosophers of religion, feminists, biblical scholars, historians, moral theologians and systematic theologians - international experts from a wide range of theological and related disciplines - to reflect on ""holiness.""The book is divided into four parts: the idea of holiness, holiness and scripture, holiness and Christian tradition, and holiness and contemporary issues. The contributions are inter-denominational and inter-religious. There is nothing comparable on ""holiness"" available at present, so this collection fills a significant ga
