

1. Record Nr.	UNINA9910154551003321
Titolo	Small : nano micro
Pubbl/distr/stampa	Weinheim, Germany ; ; [Hoboken, N.J.], : Wiley, 2005-
ISSN	1613-6829
Soggetti	Nanostructured materials Nanoparticles Microtechnology Nanotechnology Matériaux nanocristallins Nanoparticules Microtechnologie Matériau nanocristallin Nanoparticule Materials nanoestructurats Nanotecnologia Periodical periodicals. Periodicals. Periodique electronique (Descripteur de forme) Ressource Internet (Descripteur de forme) Periodiques. Revistes electròniques.
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Periodico
Note generali	Refereed/Peer-reviewed
Sommario/riassunto	Focuses on the experimental and theoretical studies of fundamental and applied research in biology, medicine, chemistry, materials science, physics, and engineering at the micro and nano scales.
