Sommario/riassunto	Lloyd Sachikonye traces the roots of Zimbabwe's contemporary violence to the actions of the Rhodesian armed forces, and the inter-party conflicts that occurred during the liberation war. His focus, however, is the period since 2000, which has seen state-sponsored violence erupting in election campaigns and throughout the programme of fast-track land reform. The consequences of this violence run wide and

deep. Aside from inflicting trauma and fear on its victims, the impunity enjoyed by its perpetrators has helped to mould a culture within which personal freedoms and dreams are strangled. At a
