Sommario/riassunto	"Not so long ago, Reese Lockhart was commanding a company of Marines. Now his life is spiraling out of control. The Bar C ranch outside Jackson Hole, Wyoming may be his last chance to save himself ... Shaylene Crawford, an Afghanistan veteran herself, knows all too well the demons of PTSD--that's why she's determined to turn her family's cattle ranch into a place where wounded warriors can work, find a home, and rebuild their souls. Her embittered father nearly drank and gambled the place away, but with help from a small crew of vets--including the newest arrival, the quietly compelling Reese Lockhart--she intends to hold on to her dream. And when someone tries to destroy that dream, Reese will do whatever it takes to defend her ..."--
