Sommario/riassunto	This revised and refreshed edition of Chief Talent Officer includes the latest illustrative examples, explanations and data. The reader is shown the role of the CLO from diverse, multinational points of view, and taken through the varying aspects of business strategy in a range of international environments. This book is a vital tool for managers and students, providing techniques and methods for the training and HR communities alike. It will help its readers to demonstrate and understand the potential value that can be added to any organization

when it is managed and organized well, and equipped with appropriate leadership.
