Sommario/riassunto	"In this book, Professor D.N. Sprague tells why the M's did not receive the land that was supposed to be theirs under the Manitoba Act.... Sprague offers many examples of the methods used, such as legislation

justifying the sale of the land allotted to M?S children without any of the safeguards ordinarily required in connection with transactions with infants. Then there were powers of attorney, tax sales-any number of stratgems could be used, and were-to see that the land intended for the M?S and their families went to others. All branches of the government participated. It is a shameful ta
